AREAS IN SAANICH SEEKING SECESSION FROM MUNICIPALITY

Wards Five and Six, Constituting Rural Districts, Petition Royal Commission in Effort to Come Under Provincial Care—Lengthy Brief Says Taxes Are Unfair

SECESSION from Saanich Municipality is sought by residents of Wards Five and Six, the rural wards, in a brief that has been presented to the Provincial Commission on Municipal Affairs by C. H. O'Halloran, who has been retained by the secessionists as their counsel.

A seven-page memorandum, setting forth the case of the rural wards, was submitted to the commission's secretary several days ago. It was learned, yesterday, at the end of the brief the appellants make a plea that "The farmers who constitute the great bulk of the population of Wards Five and Six, of the Municipality of Saanich, be permitted to withdraw from the municipality and a recommendation from your honorable body is sought accordingly."

After reviewing the history leading up to the appeal for secession, in which several outstanding cases were cited, and judgments favoring their claim quoted, the brief sets its case for complete severance from the municipality on the following points:

ARGUMENTS CITED
"(1) The farmers and urban residents cannot be assessed on the same basis; (2) the farmers in the Saanich municipality cannot keep on paying municipal taxes; (3) the farmers in the municipality pay somewhere in the neighborhood of one-half more than do the farmers in the adjoining unincorporated districts."

LOAN SWEEPING ON TO SUCCESS
Flood of Individual Investors' Subscriptions Brings Total to \$191,000,000

OTTAWA, Oct. 12 (CP).—Canada's refunding loan is now well toward success today on a flood of smaller subscriptions from individual investors and reached an official total of \$191,000,000 at the end of the campaign's third day.

The loan is now nearly 85 per cent subscribed, with only \$34,000,000 still required to complete the \$225,000,000 total. Subscriptions today totaled \$35,000,000, and it is thus apparent holders of maturing victory bonds have only a limited time left in which to take advantage of conversion opportunity.

EMPHATICALLY ENDORSED
Two features of the loan campaign for the day were a statement issued by Hon. E. N. Rhodes, Minister of Finance, and an endorsement of the loan in the evening in speeches by Hon. Charles A. Dunning, former Liberal Minister of Finance; Beaudry Leman, general manager of Banque Canadienne Nationale, and Victor J. L. L'Amour, vice-president of Imperial Oil Limited.

In his statement, Mr. Rhodes corrected an impression which appeared to exist in some quarters to the effect conversion privileges would remain open until October 16. Mr. Rhodes emphasized the fact that the books of the loan may be closed at any time at the discretion of the Minister of Finance and conversion opportunity ends when the books are closed. He advised victory bond holders to act without delay in arranging exchange of their maturing bonds, before the opportunity passes.

A NATIONAL UNDERTAKING
Mr. Dunning, in his speech, described the refunding loan as a national undertaking. He said it transcends any personal or political differences of opinion. Both Mr. Leman and Mr. Rhodes also strongly recommended the loan for both investment and national reasons.

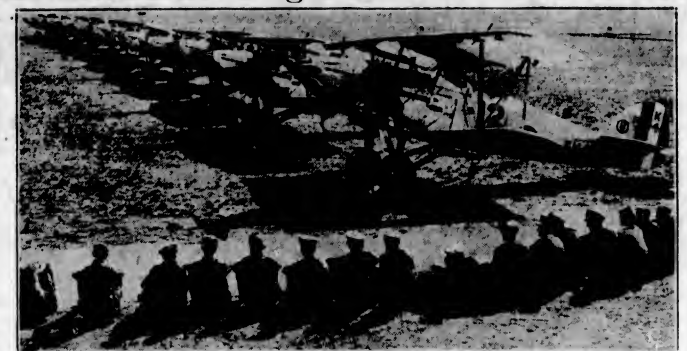

Protest Delays In Assay Office

VANCOUVER, Oct. 12 (CP).—Complaint that the assay office is not keeping up with its work because of curtailment of staff has been made by the British Columbia Chamber of Mines to Hon. H. H. Stevens, representative of the province in the Dominion Cabinet. The chamber forwarded a letter to Hon. Mr. Stevens Wednesday asking that additional men be employed.

Walkouts in California Spread to Los Angeles

SAN FRANCISCO, Oct. 12 (AP).—Strike movements which for days had paralyzed several forms of agricultural and industrial activity in Northern and Central California spread to the Southland today when approximately 2,000 garment workers in Los Angeles walked out, bringing the number of disaffected workers in the state to 30,000 or more. The garment workers' strike developed while state officials were deploying on several fronts in efforts to end the walkout of some 12,000 pickers who refused to work in California's \$50,000,000 cotton crop, and strikes involving 1,000 sardine fishermen, 3,200 lettuce and tomato field workers and several hundred stevedores. In addition to these, about 1,500 sardine cannery workers were idle while fishing was suspended.

British Planes Stage Mimic War in Scotland

Ready for Mimic War, and Waiting for Radio Orders to Take Off—Planes of the 12th British Bombing Squadron Lined Up on the East Coast of Scotland During Extensive Aerial Manoeuvres in Which Coastal Defences Were Tested for Ability to Repel Air Raids.

Canada Stands to Gain Most From Agreement Reached at Conference

Work on New Bridge at Ladner to Be Started Next Week

PREMIER TOLMIE announced yesterday that the British Columbia Government has had authoritative information from London, England, that interests financing the Ladner Bridge project over the Fraser River have come to an agreement with the Ladner Bridge Company, Limited, and that work will be started at the Mainland site, near Dease Island, within the next week. Details of the project, except as already outlined in the Legislature, are lacking, but it was said at the time that the project would provide work for 1,000 men for two years, including road approaches.

Thirty-Seven Seek Six Seats in House From Victoria Area

Twenty-Nine Candidates in City, Four Each in Saanich and Esquimalt Compose Largest List to Face Electors in Any Election

THIRTY-SEVEN officially nominated candidates will contest six seats in the Eighteenth Legislature, representing Victoria, Saanich and Esquimalt. A few expected additions and withdrawals featured the closing hour of nominations yesterday.

CANNOT REDUCE ARMS FURTHER

Baldwin Defends Policies of National Government—Use of Tariffs Beneficial

LONDON, Oct. 12 (AP).—Rt. Hon. Stanley Baldwin, Lord President of the Council, spoke in vigorous defence of the policies of the National Government tonight and declared Britain had reached the utmost limit of disarmament.

"We can go no further on the road to one-sided disarmament because the security of our Empire is one of the great bulwarks of world peace," he said.

The veteran statesman mentioned war debts and foreign exchanges and currencies as problems that must be settled. But he added complete recovery, so far as business is concerned, must depend on the recovery of lost markets.

REFERRED TO COMMITTEE
Of the India problem, he said, "We have referred it to a strong and authoritative committee."

Mr. Baldwin asserted unemployment had been checked since the National Government took office. He claimed this was the result of the use of tariffs.

"If our policy of protection should now be abandoned," he said, "the whole basis of our present industrial recovery would be shattered."

NEW ZEALAND PLANS TO STRENGTHEN DEFENCES

WELLINGTON, N.Z., Oct. 13 (CP).—Prime Minister G. W. Forbes today announced sweeping changes in New Zealand's defence forces, providing for naval replacement, augmentation of the Dominion's air arm and more modern equipment for coastal defences.

The two cruisers, Diomedes and Dumedin, he said, will be replaced by modern vessels when the time comes for exchange of ships with the United Kingdom.

NOTED SURGEON DIES
LONDON, Oct. 12 (AP).—Sir Arthur Mayo Robson, well-known London surgeon, died today.

SIAMESE PRINCE AT HEAD OF FORCE MARCHING ON BANGKOK

Headquarters of Royal Air Service Seized—Telegraph and Railway Services Paralyzed as Fighting Starts in Suburban Post of Capital—Foreigners Assured of Their Safety

Former Edmonton Man Has Charge of Aerial Services

BANGKOK, Siam, Oct. 12 (AP).—Prince Bovaradej, a member of the royal family and former Defence Minister of Siam, is marching on Bangkok at the head of an armed force. He seized Commueng aerodrome, headquarters of the Royal Aeronautical Service, today. His armed rebellion involves the provincial forces of the country. All telegraph and railway services were paralyzed by the uprising. Press censorship immediately was enforced, and martial law proclaimed.

The fighting started in a suburban post of Bangkok, at 2 p.m. The Government immediately issued communiques expressing its intention of subduing the revolt and restoring peace and order. Foreign legations were assured of the safety of their residents and property.

TAX ON FUEL OIL UPHOLD

Provincial Statute Found Intra Vires by Privy Council—Restores Revenues

LONDON, Oct. 12 (CP).—Nearly \$400,000 in revenues is restored to the Province of British Columbia by a judgment of the Judicial Committee of the Privy Council here today, which finds British Columbia Fuel Oil Tax Act of 1930 is valid.

The judges allowed the appeal of the Attorney-General of British Columbia from adverse British Columbia judgments on the Government claim against the Kingcombe Navigation Company, Limited, for \$3,900. It was a test case to determine the validity of the Fuel Oil Tax Act of 1930, which came into force June 1, 1932, and was estimated to provide nearly \$400,000 revenue yearly. The tax is of half a cent a gallon.

EARLIER ACT ILLEGAL
An earlier Fuel Oil Tax Act of the Province had been ruled ultra vires by the Privy Council, on the ground it imposed an indirect tax and therefore was not within the competence of the Provincial Legislature under the British North America Act.

The present act, however, in their Lordships' opinion, is direct taxation, within the meaning of Section 92 of the British North America Act.

ARRESTS BRING CHARGES AGAIN
Soviets Say Manchukuo Authorities Aiming at Chinese Eastern Railway

MOSCOW, Oct. 12 (AP).—A dispatch from Khabarovsk, Siberia, tonight reported the arrest of two more officials of the Chinese Eastern Railway, drawing renewed charges from the Soviets that authorities in Manchukuo are attempting to deprive legal Soviet agents of a voice in the administration of the railway.

The dispatch presaged a heightening of existing tension between Japan and Soviet Russia over affairs in the Japanese-occupied state. The Soviets have charged Japan with responsibility for activities allegedly aimed at disorganizing the work of the railway.

WITHOUT A WARRANT
The arrests were said to have been made on September 10 on the Western section of the line by Manchukuo police acting without warrant. The dispatch said they first took into custody the chief of the depot at the Manchukuo Station, a man named Levitski. Manchukuo is the Western terminus of the railway.

Levitski was only recently appointed by the Soviet administration of the C.E.R., to take the place of a Soviet official holding a similar post who had been arrested previously.

Before he could take up his duties, the dispatch said, the Manchukuo administration appointed their own candidate to fill the job, and the advice indicated that the new appointee refused to permit Levitski to enter the station offices.

Levitski was taken to the station at Khabarovsk, farther in the interior of Manchukuo, where his captors then arrested the assistant Soviet director of traffic in that place, a man named Kiroloff.

Record Number of Candidates Seeking Election to House

Two Hundred and Twenty File Nomination Papers in Thirty-Nine Electoral Districts—Four Members of Cabinet Are Backing Premier

BRITISH Columbia was officially launched on its largest and most eagerly contested election yesterday, when returning officers in thirty-nine electoral districts closed nominations, with 220 candidates representing eight parties, with scores of independents in the field. Nomination day was the official start of the election, which concludes with polling on November 2.

Unionists, Liberals, Conservatives, non-Partisan Groups, Co-operative Commonwealth Federationists, Laborites, Socialists, United Fronters, Independent shades of the House, Provincial Secretary, who did not file nomination papers; William Atkinson, former Minister of Agriculture; N. B. Loughheed, former Minister of Lands, and Hon. R. L. Maitland, minister without portfolio, most members of the previous Conservative Ministry are back in the race. Premier Tolmie is standing with four ministers on the Unionist ticket. Hon. J. W. Jones, R. W. Bruhn and W. A. McKenna all nominated, but not on the Government ticket.

In Victoria and Vancouver ridings, five in all, the political affiliation of the candidates are shown on the official record, prepared last evening and still subject to final correction. Elsewhere the color of the candidate was not expressed, as it is not called for in the statute.

FOUR MINISTERS STANDING
With the exception of Hon. S. L. Howe, Provincial Secretary, who did not file nomination papers; William Atkinson, former Minister of Agriculture; N. B. Loughheed, former Minister of Lands, and Hon. R. L. Maitland, minister without portfolio, most members of the previous Conservative Ministry are back in the race. Premier Tolmie is standing with four ministers on the Unionist ticket. Hon. J. W. Jones, R. W. Bruhn and W. A. McKenna all nominated, but not on the Government ticket.

DR. W. J. P. MACMILLAN
CHOSEN PARTY LEADER
CHARLOTTETOWN, Oct. 12 (CP).—Hon. Dr. W. J. P. Macmillan, Acting Premier of Prince Edward Island during the illness of the late Premier J. D. Stewart, was chosen leader of the Conservative Party in the Legislature, at a meeting of Conservative members of the Legislature tonight.

Lieutenant-Governor Charles Dalton is expected to call upon Dr. Macmillan to form a new Government, within the next few days.

We Know Our Groceries!

We know we couldn't interest you in four-foot loaves of bread, as they sell them in Kurdistan. You want the good old-fashioned loaf, fresh daily. But we do keep our eyes open for new things in food as they are introduced, so that every customer can have what she wants from the common staples of everyday use to the newest item offered the housewife. Whatever your needs, let UNITED PURITY STORES supply them. You'll enjoy their service, and you'll appreciate that trading with them means saving money, too.

SEEKING TAX MORATORIUM

Alderman R. T. Williams Would Eliminate Tax Sale This Year

Notice of motion has been given by Alderman R. T. Williams that he will seek to secure a moratorium on delinquent taxes at the next meeting of the City Council.

He proposes to ask the council to adopt the same practice as the Provincial Government, which has announced that there will be no tax sale of delinquent property this year.

However, the council already has decided by unanimous vote that no moratorium will be declared. This was done on the recommendation of the Finance Committee.

If a seconder is secured for Alderman Williams' motion, the whole question will be reopened.

WOMEN HELPED TO WIN PRIZES

J. B. Munro Delivers Compliment in Addressing In-stitutes' Conference

Maintaining that much of the credit for the generous share of prizes secured by British Columbia in the World's Grain Fair at Regina last Summer belongs to the women of the province, J. B. Munro, deputy minister of agriculture, touched a responsive chord in the ears of the Women's Institute members who heard him when he addressed the opening session of the South Vancouver Island district conference at the Parliament Buildings.

"All British Columbians are justly proud of the honors that came to our seed growers as the result of their showing at the World's Grain Fair last Summer," he remarked, in leading up to his tribute. The soil and climate of the province were ideal for the production of good seeds; the agricultural departments also had skilled specialists employed in the selection and improving of varieties. But hitherto little had been said of the fact that the province had captured thirteen first and twenty-five other cash awards at Regina, and the credit for these prize-winning exhibits rightly belongs to the rural women of the province, who not only persisted in urging their menfolk to produce seeds, but in most cases selected the samples for exhibition. Without the inspiration and assistance of British Columbia women, the world would not have known the seed-growing capacities of the province.

WINS IN UNITED STATES
Mr. Munro also recalled that last Winter a British Columbia rural woman, of the Okanagan, had won third prize in open competition with entrants from twenty-five foreign countries, at a canned fruit and vegetable exhibition in Indiana. Every year the names of British Columbia women were found among the winners at Chicago International, Toronto Royal, and other international fairs where they exhibited in agricultural classes in competition with men.

These things illustrated what the speaker sought to bring out in his address, viz., the value of character plus training, thrift, resourcefulness, ambition, and energy at a time when the challenge of adversity was bringing out the best qualities of women—particularly the rural women—of this country. Success at the present time lay in capacity for self help, such as was seen among members of the Women's Institutes.

Two Bucks Fall To Single Shot
SUMTER, S.C., Oct. 12 (AP).—For thirty years, J. A. McKnight stalked the woods in this vicinity without killing a deer. Fellow hunters who went with him had all the luck, but McKnight persisted in going afield, and finally his day came.

Five deer at last ran past his stand in a bunch. McKnight fired once. Two good-sized bucks fell to the single shot.

The driver of the dilapidated car asked the bystander: "Can you tell me the quickest way to Victoria?" After a critical glance at the car, the bystander replied, "Yes, take a bus."

Wrecked by Earthquake

THE ruined village of Lama di Poligno, in Southern Italy, following the three distinct earthquake shocks which leveled all towns in the Abruzzes district, recently. Fifteen persons were killed and over two hundred were injured in this catastrophe, which was felt even in Rome. Fascist militia are shown patrolling the village to prevent looting, and to search for victims.

PLAYFIELD FOR SCHOOL ARRANGED

Preliminary Work Will be Commenced at Mount View High School Immediately

Preliminary work on construction of a playing ground and soccer field at Mount View High School will start immediately, it was decided at a Saanich School Board meeting Wednesday night.

Cost of breaking and leveling ground was estimated by H. H. Allen, municipal engineer, to be \$500. The cost will be borne jointly by the school board and Mount View High School P.T.A., each paying \$250 apiece.

A steam shovel, three trucks and a gang of men will start work as soon as possible. H. L. Briggs and R. B. Fendergrast represented the school P.T.A. in reaching the agreement with the board.

She took my hand in sheltered nooks. She took my candy and my books. She took the lustrous wraps of fur. She took the gloves I bought for her. She took my words of love and care. She took my flowers, so rich and rare. She took my time, I don't know why. She took whatever I could buy—She took my kisses, quick and shy. And then she took the other guy.

HOSPITAL CHARGE CAUSES PROTEST
Oak Bay Contends City Should Pay Per Capita Fee for Old Men's Home Inmates

A grievance against hospital charges was voiced at last night's meeting of the Oak Bay Council. It was revealed that inmates of the Old Men's Home, who are taken to the Jubilee Hospital, become a charge on Oak Bay.

It was explained that this institution was operated by the city for city residents, and the hospital charge was made against the corporation because the domicile of the patient from the Old Men's Home was given as Oak Bay.

Already \$600 has been paid out this year for hospital services for inmates of the Old Men's Home, and it is felt by the council that the city should pay this sum inasmuch as Oak Bay, in addition to paying the usual per capita charge for its indigent patients, also makes a supplementary grant to the hospital at the end of the year.

School Inspection By Government to Be Urged by Board
Saanich School Board will seek immediate Government inspection of municipal schools, it was decided Wednesday night. However, this action is expected to be a preliminary move on the part of the board to have the Government establish a municipal inspectorship in the near future.

It was pointed out that no school inspection has been made for the past five months, owing to the death of J. M. Paterson, municipal inspector. The board was advised that the Government had been approached to inspect schools, but had reported no funds were available for that purpose.

Several months ago, when considering appointment of an inspector to replace the deceased official, the board decided against such a move.

FUNERAL SERVICE HELD
Funeral service for William Henry Griffiths was conducted by Sidney S. Carr, assisted by F. J. Blackett, yesterday afternoon at 3:30 o'clock. There was a large attendance of friends. The pallbearers were T. L. Boyden, W. B. Pease, H. E. Newton, R. A. Ruffe, J. Starkey, and H. Webster. The remains were forwarded to Vancouver for cremation.

SUPER SHELL IS MAKING A DIFFERENCE OF ABOUT 2 MILES TO THE GALLON IN MY NEW PLYMOUTH

Super Shell, with the 3¢ premium dropped, is a gasoline value no thoughtful motorist can deny

THIS enthusiasm about Super Shell, this excitement among users from Coast to Coast means more than all the claims we could make.

Users know they've found a gasoline sensation. They've tested it in their own cars for everything a gasoline should have, and it has come through with flying colors.

"I never had such mileage before!"
"It does everything better."
"I've tried them all—premium and non-premium—and Super Shell certainly wins."

Thousands of such reports! Thousands of letters. It's the biggest sensation Shell ever created. And it ought to be. Super Shell is a premium gasoline with the former 3¢ premium dropped.

Super Shell is ALL power. It contains none of the wasteful "gassy" parts of ordinary gasoline. What's more, Super Shell provides unusual anti-knock protection in high-compression motors. It gives you everything—great power—plus quick starting—plus mileage to a premium degree.

Go and fill your car with Super Shell. You'll see the reason this great bargain of the year keeps winning new friends every day.

At the Theatres Where Error Means Death

CAPITOL "The Masquerader." Ronald Coleman in the starring role, which appears last times today at the Capitol Theatre, reveals a plot that is both new in theme and development. As the exact double of a prominent politician, the hero is called upon to take his place in work and home life. In the complicated scheme of political machinations, he steers an untroubled course, but not so when he enters the private life of the man he impersonates. Elissa Landi, who portrays the politician's wife, co-stars with Coleman.

COLUMBIA Director Michael Curtiz added to the effectiveness of the Warner Bros. Technicolor thriller, "The Mystery of the Wax Museum," which is now showing at the Columbia Theatre, by having living persons pose as wax figures and alternately, wax figures acting as dummies for the living persons. So well did he mix them and so cleverly were the wax dummies made, that even he, at times, could not be sure whether it was a wax figure or a live model he was using on a set.

PLAYHOUSE John Barrymore's talents are given full play in a comedy drama of strictly modern manners and morals entitled "Topaze." It is his newest RKO-Radio picture, now at the Playhouse Theatre. As an innocent chemist who is the victim of a hoax by clever swindlers, he learns how to outsmart them and force them to recognize him as a power.

DOMINION Herbert Mundin has fought and won the biggest battle of his movie career to date. He has learned to "talk Southern." As "Kingfish" Miller, a veteran medi-

one man with a carnival, his part in Fox Film's new comedy, "Arizona to Broadway," now at the Dominion Theatre, requires a south-of-the-Mason-Dixon-line accent broad enough to make a native Georgian sound like a Vermonteer with a clove in his nose. James Dunn and Joan Bennett are the other featured players.

CAPITOL TO PRESENT "TOO MUCH HARMONY"

Tomorrow the Capitol Theatre will present to Victorians a new style of musical production, one that bids fair to transcend all pre-conceived standards of screen entertainment. "Too Much Harmony" is a splendid example of what can be achieved when musical talent is combined with the highest of the producers' art. "Too Much Harmony" combines songs, music, dances, screaming comedy and beautiful girls. Bing Crosby heads the cast, with Jack Oakie, Skeets Gallagher, Judith Allen, Mary Green, Lillian Tashman and Ned Sparks.

Advisory Board May Be Formed For Sanctuary

CREATION of an honorary advisory board for the Elk Lake Swannery and Bird Sanctuary will be recommended to the City Council by the parks committee, it was learned yesterday after a meeting of the latter body. The committee decided to request Francis Kermode, curator of the Provincial Museum; Cecil French, founder of the swannery, and W. H. Warren, city parks superintendent, to constitute a board to act in an advisory capacity on all matters pertaining to the sanctuary, thus reviving a policy initiated by former Mayor J. Carl Pendray.

PATRICK HOWARD GIVEN JAIL TERM

Patrick Howard, charged on two counts of obtaining money under false pretences, was sentenced yesterday by Magistrate Jay to serve nine months in jail. On one of the counts he was given three months and on the other six months, to follow the expiration of the first term. In reviewing the cases before passing sentence, the magistrate pointed out that the accused had had "bank experience and should, therefore, have knowledge of the seriousness of the offences. These consisted in passing cheques which were found to be worthless. No character evidence was offered yesterday. Ainslie Helmcken proffered the statement to the court that if the accused were allowed his liberty, there was a position awaiting him.

What people are saying about this NEW Kellogg Cereal

"Mother, can I have some of those new wheat flakes?
 It's a long time before supper"

"Yes, you can go out to the kitchen and fix
 them yourself"

CHILDREN delight in the crispness and flavor of Kellogg's Whole Wheat Flakes. And mothers like to see them eat plenty of these wholesome new flakes.

For they are whole wheat. Nourishing, easy to digest. Almost a meal in a bowlful.

And Kellogg's Whole Wheat Flakes are so economical. Compare the size of the big red-and-green package. Many servings at a cost of only a few pennies.

Get this new cereal from your grocer. Ready to eat with milk or cream. The crispest, crunchiest wheat you ever tasted, thanks to a new Kellogg discovery!

Look for the big red-and-green package. Made by Kellogg in London, Ontario.

The Perilous World of Oriental Crime

is laid bare by Sax Rohmer, author of the world-famous Fu Manchu series, in his newest romance, Yu'an Hee See Laughs, in which the heroic love of a boy and a girl is tested to the utmost. Reading it is like living through a breath-taking adventure.

ADDITIONS MADE
TO LEGAL RANKS

In the Supreme Court here yesterday before Mr. Justice D. A. McDonald, three new members of the legal profession qualified to practice in this province were admitted to the bar. They are Charles William Brader, avd Hamilton Brock and Borden McIntyre. All have been

studying their profession in Vancouver. W. C. Moresby, K.C., on behalf of the benchers, presented the new members before His Lordship, who extended his best wishes for their success in their chosen life work. Mr. Brock is the son of Dean R. W. Brock, of the University of British Columbia. He was born in Ottawa, studied law at Osgoode Hall, Toronto, and has been with Reid, Wallbridge & Gibson, Vancouver. Mr. McIntyre came from Revelstoke, and studied law with Hon. R. L. Maitland, K.C.

Mr. Brader came from the Okanagan, and studied law with Walsh & Bull. The Sunday school teacher, to the class (after reading with them the second chapter of Exodus): "What did the mother of Moses do to him soon after he was born?" "Please, teacher, she thrashed him," said one little chap. "What makes you say that?" asked the teacher. "Cause it says in the third verse. When she could not further hide him!"

What Today Means

"LIBRA" If October 13 is your birthday, the best hours for you on this date are from 12:20 to 1:30 p.m., from 5 to 6:15 p.m. and from 8:20 to 9 p.m. The danger periods are from 9 to 10:30 a.m. and from 2:15 to 3:45 p.m. Influences operating on this date will quite possibly make you feel in an exuberant mood. You will

feel "on top of the world" and see yourself as "cock of the walk." Take care not to hold your head so high nor to throw out your chest so far that you will fall to see the hurdles as they come along. Pitfalls aplenty will be in your path, and alertness and true humility will be needed to avoid them all. The child born on this October 13 will not always put the best foot forward, although he will always try to. He will probably be awkward and ill at ease in the presence of his elders; strangers will live up to what is right, you do not

bring on stage-fright. Do not bark at this little one; speak gently and understandingly to him. If October 13 is the date of your birth, you like to see justice done; you are quick to detect deceit and equally quick to denounce it openly. You like to have your own way as long as it causes no inconvenience to others. You do not stand for interference from anyone, be they family or friend. You are very outspoken; there is no doubt in your mind as to what is right and what is wrong, and when others fail to live up to what is right, you do not

hesitate to kindly but firmly call their attention to it. You do this not in any sense of condemn, but to put them aright. You do not interfere with others, nor pry into their business. You make a good many temporary enemies, but these people in time come to see how correct you are in your judgments and are often inclined to come and thank you for having pointed out the error. Born on October 13, you like to have a lot of time to yourself. You welcome the opportunity to help another in need at any time, and you come in regular.

your assistance is most generally spiritual in nature rather than material. You do give freely of your money, however, though not directly nor openly. You are inclined to hold yourself aloof and you have great pride. Many before they get to know you, misunderstand these qualities or characteristics, and either hold you in great awe or fear you. You are the sort of person who will have great popular appeal, but you will bring lasting benefits to many people with whom you come in contact.

MARINE, RAIL and AIR

Crew of Freighter Forced to Plunge Into Sea at Night

Princess Ena Went Ashore on Queen Charlotte Islands—Ship High and Dry at Low Water—Is Badly Holed

VANCOUVER, Oct. 12 (CP).—Forced to plunge into the sea in the blackness of the night, five men forming the crew of the freighter Princess Ena, narrowly escaped with their lives in a battle with wind and sea when the vessel went ashore near Jedway, Queen Charlotte Islands, Monday night, according to word reaching Vancouver today.

THERMOPYLAE SAILS AGAIN

Ship Spreads Her Canvas for Another Cruise—Exhibition Next March

The good ship Thermopylae is under way again. On Wednesday evening the anchor was broken out and the sails trimmed to a favoring breeze, which it is hoped will take the craft a long way. The sails will not be furling again on the anchor but will be hoisted until next spring.

When the ship gathered way and the "watches" were set, Supercargo Philomen reported on the model display at the Provincial Fair. The visitors' book proclaimed the exhibit to be the "best at the Willows," and while this was no doubt a biased opinion, it was nevertheless gratifying to feel that the efforts of the club had met with such approval.

The holding of another exhibition of ship models and pictures was suggested. Such an exhibition had been requested by many of the visitors to the fair, where the exhibits were not shown to advantage. As there are a large number of persons in the city and surroundings who are interested in ships and shipping, the proposal was favorably considered, especially if a small charge could be made to cover expenses. It was suggested that any surplus realized that it should be devoted to the Rainbow Sea Cadet Corps.

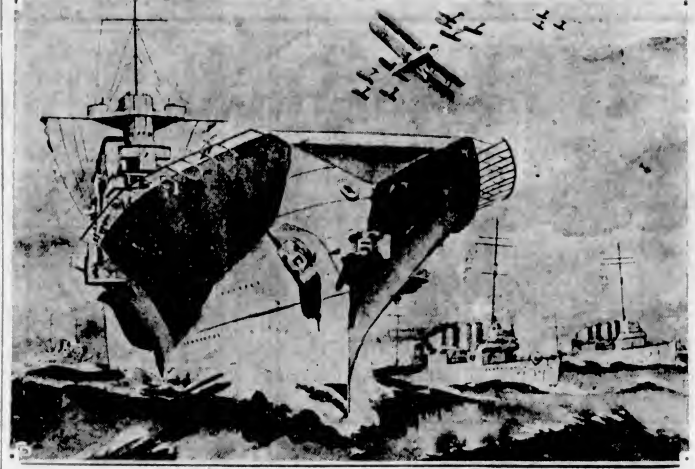

A committee was formed to look into the matter and report upon it from time to time. The committee is as follows: D. J. Butler, F. Robertson, F. Wilson, F. V. Longstaff and J. A. Philpott. A rather interesting incident was related by Captain Macdonald, who told about meeting a party living close by his home who had asked him if he knew a ship called the Thermopylae. The skipper, shortly after he had retired, leaving his son in charge of the ship. He died while the ship was on the next voyage, about the same time as she was lost with all hands.

Appreciation was voiced to D. Amier for the gift of a book to the club, and a letter from a young woman asking to join the crew was dealt with. The captain ruled that the only woman allowed aboard during the voyage was the captain's wife. Appreciation was expressed to F. V. Longstaff for the gift of a ship, and to Col. Goodland for an invitation to the lecture by a young naval officer from Hongkong, which was given at the United Service Club. A financial statement was presented by F. Robertson, which showed there was enough money in the "kit" to cover the expenses and a small amount over.

It was proposed that the ship's crew have a celebration, such as a supper or dinner, to be held on the anniversary of the launching of the date she left on her maiden voyage. It will be discussed more fully at a later date. A book of clippings belonging to R. Garrett was passed about for inspection. Cook Kemp told a yarn about his experience on the Orient Liners Omrah, when the ship sailed on her maiden voyage.

The roll call showed the following members present: Captain Macdonald, A. M. Davis, mate, D. J. Butler, second mate, A. Douglas Barff, third mate, F. Robertson, boson, and J. C. Clark, F. V. Longstaff, W. T. Thorne, T. McKenzie, H. B. Nicholls, W. F. Wilson, J. A. Philpott, F. W. Kemp, R. S. Johnson, W. J. Ward, Granville Cuppage and J. C. Thorne, members of the crew. Ten other would-be members were present aboard, and they will be given an opportunity to "sign on" at the next meeting.

Painting Shows United States Battle Fleet

A SERIES of graphic paintings of the United States Battle Fleet in action are part of a striking Los Angeles exhibit of the work of Lieutenant Arthur Beaumont, who is known as the unofficial artist of the United States Navy.

WORRYING TO AUSTRALIANS

Rabbits Do Colossal Damage In Commonwealth—Annual Campaign Now On

Australia is now conducting its annual campaign to exterminate rabbits. It is estimated that the destruction caused by the rabbit in Australia amounts to between \$20,000,000 and \$40,000,000 annually, a sum about equal to the country's national debt. Not only is the loss computed on the damage done to crops but on the reduced carrying capacity of the land, the loss of stock in drought years caused by rabbits eating out the native herbage and brush which normally would be sustaining for stock, and the loss of water in dams and other conserves through banks weakened by burrows.

So destructive have rabbits become in parts of central Australia, that they have destroyed the native herbage, causing large areas to become wind-swept wastes.

A fairly substantial export trade in furs and carcases have been developed, large shipments now passing through Victoria, being transferred from Canadian-Australian ships to intercontinental vessels for New York. During the fiscal year 1932-33, exports from the Commonwealth amounted to 7,892,000 pairs, valued at \$2,330,000 and 7,863,000 pounds of skins worth \$2,378,000.

Rabbits and hares were introduced into Australia from England in 1859. By the end of the nineties they had invaded every section of the Commonwealth.

EXPANDING ITS RAIL SERVICES

Great Northern Road Endeavoring to Recapture Traffic From Highways

SAINT PAUL, October 12.—Approximately 1,200 miles of daily passenger service will be added by the Great Northern Railway, October 29, as part of the road's programme for recapturing business lost to the highways during recent years. In addition to this, about 250 miles of mixed train service is to be replaced with passenger trains, and reroutings and changes in schedule are being worked out to afford more convenient hours for travelers.

This expansion of passenger train service is believed to be the first announced by any railway since 1929. Curtailment has been the trend during the last four years. The first steps along the recovery road are being taken at this time for three reasons, according to W. P. Kenney, president of the Great Northern.

THE THREE REASONS

First: The 50 per cent increase in the number of local passengers which followed the reduction of coach fares to two cents a mile on August 1, demonstrated that travelers can be brought back to the trains. Second: The reduction of the railway fare for passengers in the Pullmans, which will go into effect on December 1, is expected to stimulate train travel still further. Third: Additional trains, with faster and better service, is looked to as the final thing needed to reverse the cycle of diminishing passenger business and curtailed train service.

Under the agreement recently announced, the 3.6 cent-a-mile fare which has been the basic fare since 1920, will be reduced on December 1 to two cents a mile for round-trip tickets with a ten-day return limit to 21-2 cent a mile for longer return limit, and to three cents a mile for one-way tickets. Elimination of the Pullman surcharge will reduce Pullman charges one-third.

Financial definition: An heiress is a woman who makes a capital wife.

Ship Made Smart Trip From Coast To Philippines

The third successive Kerr liner to cross the Pacific between Los Angeles and Manila in the merchant ship record time of eighteen days, was reported by the General Steamship Corporation, Ltd., following a receipt of a cable advising that the Silvercypress had steamed into Manila Bay three days under three weeks after clearing the breakwater at San Pedro. The liner arrived two days ahead of her published schedule date.

The old record to Manila was smashed several months ago by the Silverstreak and was equaled a short time later by the next Kerr liner to make the crossing, the Silverstrand. The feat of the Silvercypress makes it "three-in-a-row" for the Kerr ships and indicates that such speedy service can be practically depended upon in the future by Pacific Coast shippers.

In view of the growing importance of the Philippine market, this fast service will prove of great benefit to California exporters. Recent installation of passenger accommodations in these ships is also attracting numerous passengers, who desire to reach Manila with speed and comfort.

OPEN VERDICT IS RETURNED

Airplane Crash to Be One of Aviation's Unsolved Tragedies

VALPARAISO, Ind., Oct. 12 (CP).—Fatal crash of the United Air Lines New York-Chicago plane with death to seven persons near Chertonton, Ind., went down into history, today, as one of the unsolved tragedies of aviation. An open verdict, stating the cause of the crash Tuesday night was unknown, was returned by Coroner Carl Davis, of Porter County, at the conclusion of a closed inquest, at which witnesses and officials of the company testified.

Dr. Davis said he believed two explosions occurred, one while the ship was still in the air, and another when it struck the ground. The fire that enveloped the wreckage followed the second blast, he said.

"If there were four flies on a table, and I killed one, how many would be left?" inquired the teacher. "One," answered the bright little girl. "The dead one."

Change of Train Schedule

BETWEEN VANCOUVER AND QUESNEL

EFFECTIVE

OCTOBER 16, 1933

NORTHBOUND
Steamer leaves Union Pier, Vancouver (Mondays and Thursdays), 9:00 A.M.
Train connects with steamer at Seasmith Dock leaves, 1:30 P.M.

PREVENTION IS GREATEST NEED

Much Fire Damage Caused by Carelessness, Insurance Agents State

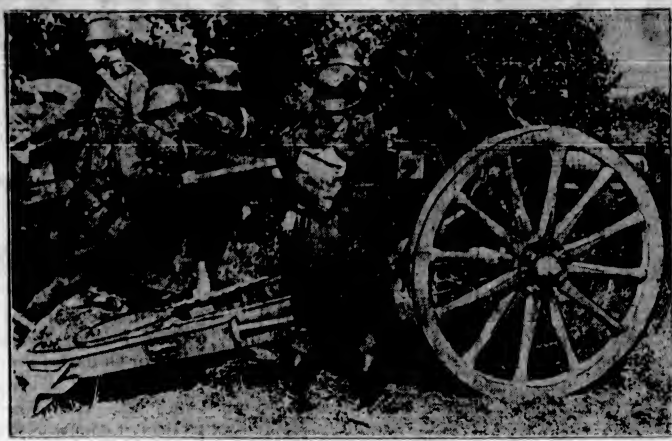

The annual Fire Prevention Week campaign continues until October 14, and the Victoria District Fire Insurance Agents' Association, sponsoring the local movement to prevent loss of life and property by the fire demon, requests the citizens of Victoria and district to carefully study the numerous causes of fire, which are kindly issued daily through the local papers, which, they contend, if eliminated, would greatly reduce the large number of preventable fires that occur every year in this province.

Strict compliance by the general public to the warnings and advice published in the columns of the local press during Fire Prevention Week would have prevented no less than 1,307 fires which occurred last year, comprising approximately 70 per cent of the gross fire loss for the province, which, totaled \$3,299,055.

A total of 2,942 fires occurred in the province during the past year. The causes of the 1,507 unnecessary fires being as follows: Ashes against wood, twenty-three; children playing with fire, four; clothes too near stovepipe, sixty-two; coal oil carelessness, eight; defective chimneys, 167; defective fireplaces, thirty-two; defective furnace pipes, seven; defective matches, sixteen; dust explosion, two; electrical appliances, 150; fire crackers, eight; grease on stove, thirty-two; matches with children, twenty-two; smokers' carelessness, 577; sparks from fireplaces, 258; spontaneous combustion, thirty, and unprotected stove pipings, 132.

Little Joen saw the cat carrying its kitten by the nape of the neck. "You're not fit to be a mother," she said. "Why you're hardly fit to be a father."

Letters to the Editor

No letter to the Editor will be inserted except over the proper signature and address of the writer. This rule admits of no exception.

A YOUTH MOVEMENT

Sir,—With the advent of a general election, thought is naturally being directed upon the "Affairs of State," and several parties and many aspirants are offering a choice of remedies to the electorate. It is not the purpose of this letter to discuss these "remedies" nor to voice any political opinion. Furthermore, it is not the purpose of this letter to endeavor to add to the "parties" engaging each other in

the electoral arena. Purpose, however, there is, and this is to endeavor to organize the youth of the province in such a manner that the unity of their voice shall exercise influence and ultimate authority in the destiny of their land and birth-right.

In so far as I am aware, there is not a party partaking in a general election that is vitally concerned with the undeniable rights of the young British Columbian. Very recently, in other countries, there has taken place that which amounts to a revolution of the youth against certain factions that they were persuaded had outlived their usefulness. It is with regret that I find it necessary to refer again to the war, but it is inevitable, for unquestionably the war, and that which led thereto, bears a very great influence upon our present condition. And in all the years that have passed since, with their harvest of endless and varying conferences, treaties, financial and other manipulations, the rulers seem to offer to their inheritors, the youth of today, only the none too immediate prospect and fear of another war. Indeed, it is hard to recall any other period in the history of the last one hundred years when the world at large has been racing with such heading speed towards that greatest of all man-made disasters.

It is small wonder then that "youth" is becoming restive and is seeking, and rightly, a definite voice in the government of his destiny, realising little by little that while he was spared the blood of the last war he cannot be spared the tears, and that another war may easily mean that where one starves now, five must starve then, while only the bravest would care to contemplate the inheritance of their children.

While all this has a direct bearing, we, however, are concerned for the moment with the youth of British Columbia. There are hundreds of these who have the qualities of fine steel and who are being ruined, walking the streets with nothing to do, little hopes of finding employment, and yet saddled with a great debt incurred by the Province in their name. And since it is their honor which is directly concerned, they are surely fully justified in desiring a voice in their government and, at least, a hand of influence upon the tiller. True, those who qualify may exercise a vote, but this is the same effort, and only when unity is obtained may their influence become really effective. Therefore, with this end in view, I would ask any who read this, and are sufficiently interested or concerned in the affairs of their Province, to communicate with me with a view to organize a useful youth movement. It should be remembered, however, that it is not the intention of such a movement to embrace Socialism or Fascism. It is to be a constitutional assembly, whose aim and duty it shall be to express clearly the thoughts and desires of the young British Columbian and to influence the recognition of the same. STEPHEN B. LLOYD, 854 Old Esquimalt Road, Esquimalt, B.C., October 10, 1933.

WOMEN'S EXHIBITS

Sir,—Will you kindly allow me a little space in your paper to express myself in regard to my exhibits at the Victoria Exhibition this year? Before sending in my list of entries, I wrote to the secretary, asking him if he could give me the assurance that my exhibits would be shipped to me on Saturday, the last day of the exhibition, so that I could have them to exhibit here at Armstrong. He replied that they would ship them on Saturday, and said for me to write a note to the ladies in charge of the needlework, and put it in with my exhibits from here reminding them of it. I wrote a note on the same page and underneath the secretary's letter to me explaining that I wanted them for our Armstrong exhibition. And I believed they would be shipped as ordered.

But they were not shipped until Tuesday and I got them on Wednesday, too late for judging. I have it on good authority that a Vancouver ladies' exhibits were shipped to her on Saturday, and she got them on Monday and sent them on here the same day, and

Do You Cough?

DON'T be that worst pest of all—the chronic sufferer from colds who passes germs on to family and friends. Build resistance with Dr. Pierce's Golden Medical Discovery. Read what Mrs. Emily Wright, of 478 Henry St., Woodstock, Ont., says: "At one time I suffered from bronchitis, would-had a cough that lasted for several weeks. I was run-down, had no strength, was quite sure one day and ate very little. I used Dr. Pierce's Golden Medical Discovery and it did the aggravating cough, built up my system, increased my appetite and I felt stronger and better in every way." Write to Dr. Pierce's Clinic, Buffalo, N. Y., for free medical advice.

they arrived on Tuesday morning in time for judging. The grain exhibits were shipped, too. Why not mine?" I have friends in Victoria, who, I am sure, would have attended to it if I had known I could not trust the directors to do it at the proper time.

The exhibitors make the exhibition and how the women's department of the Victoria Exhibition can be a success (if it is), is beyond my understanding when the ladies in charge have no thought for the interests of the exhibitors after they are through with them. It means considerable expense to buy material and takes a great deal of time to do the work; all of which I do in my spare time from my housework. It is my pleasure and my hobby.

I seem unable to find words to properly express my feelings in the matter; anyway, I might not look well in print.

I thank you for the privilege of saying this much.

(MRS.) J. M. BIRD, Armstrong, B.C., October 8, 1933.

A CURE FOR UNEMPLOYMENT

Sir,—The only cure for unemployment is work, that we all know. The country is so heavily in debt we must all do our bit and keep carrying on. We are needing the end of our borrowing powers, so must find ways and means for carrying on. If one party fails to take his or her responsibilities it only makes it doubly hard for another.

We must cut governmental expense and in this way reduce the overhead. As soon as excess taxation ceases, business will revive and with the revival labor will find employment, the cure for all our ills.

(MRS.) J. M. BIRD, 157 Clarence Street, Victoria, B.C., October 11, 1933.

PUBLICITY WORK

Sir,—Quite accidentally I have just learned that Mr. Charles E. Whitney-Griffiths is a candidate at the coming election for the Provincial Legislature. May I venture to say that during my five years' service as secretary of the Vancouver Island Development League, as president of the Metcalf branch of that league, Mr. Whitney-Griffiths gave our organization invaluable aid in every manner possible, and that his ability, energy and enthusiasm were outstanding in the results connected with the league's work.

During my residence in Victoria I was a member of the Conservative Party; but I have always held that public good supercedes party success, and without a syllable of criticism as to Mr. Whitney-Griffiths' opponents, I sincerely believe that his long experience in Provincial matters, especially as to agriculture and its various branches, would make him conspicuously efficient as a representative of the district he seeks to lead, as well as the entire province.

ERNEST McGAFFEY, 5343 Russell Avenue, Hollywood, California, U.S.A., October 9, 1933.

MR. REGINALD HAYWARD

Sir,—At intervals for the last twenty years Mr. Hayward has been before the Victoria electorate, submitting himself as candidate for some public office. Whether the end sought was school trustee, Mayor, or Member of Parliament, the result has been invariably the same; he has always been elected. He is a native son in whom the Victoria public places implicit confidence, and he has invariably marched on from victory to victory. The many expressions of public confidence he has received have not been modest, competent, reliable, safe.

I observe that he is to be a candidate at the approaching election as an Independent. He is one of the few men absolutely dependable for such a role. What he considers safe legislation, regardless of whence emanating, will receive his support, and whatever he regards as unwise he will negative. Unmoved by specious argument or past party pressure, party expediency will have no part in leading to his decision. With no sun to guide in this night of unrest and distrust, he may be relied upon to fix his course by some reliable star. In such a man, with such a record and such a keen business perception, I see the safest political investment the Victoria electorate has before it today.

CHARLES J. BUDDILL, 887 Burrhead Road, Saanich, B.C., October 10, 1933.

A LADY BOUNTIFUL

Sir,—In the medical ward of the Jubilee Hospital there is a dear, old-fashioned lady, who sits up in bed all day long, and day after day, working away steadily and happily for the little children at the Solarium, keeping them supplied with a regular flow of the loveliest picture albums.

I am hoping, Mr. Editor, that you will find space in your paper for my letter, and that someone will read it to the children, giving them a greater interest in the pretty books sent to them by this dear, old lady. Of course, she is crippled

VICTORIA-PORT ANGELES SWIM BILLED SUNDAY

Jimmy Foxx Voted Best in American For Second Time

Slugging First Baseman of the Athletics Given 74 Votes Out of Possible 80—Joe Cronin Is Second and Heinie Manush Third

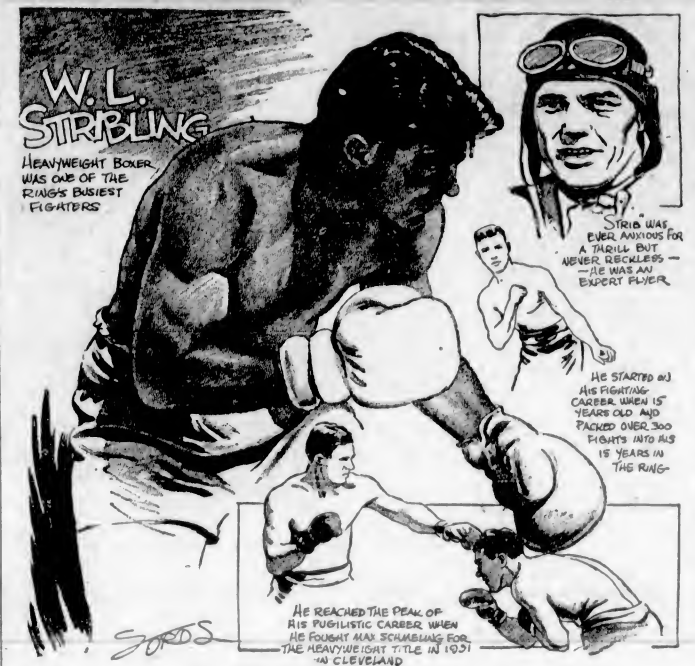

By ALAN GOULD
Associated Press Sports Editor
NEW YORK, Oct. 12 (AP).—James Emory Foxx, the home run king of the major leagues, today was named by baseball experts as the American League's "most valuable player" for the second successive year.
Foxx was selected for top honors again by a committee representing the Baseball Writers' Association of America, of which Denman Thompson, of the Washington Star, acted as chairman.
The slugging first baseman of the Athletics was given a brisk run in the voting by two Washington rivals, Manager Joe Cronin and Heinie Manush, but emerged with a clean-cut margin. Decisive factors in favor of Foxx were that, in addition to retaining the home-run crown, he led all the American League hitters with an unofficial mark of 356, and topped the clouters of both leagues in runs batted in with 159.

JIMMY FOXX

GREATEST IN GAME
In the opinion of Cronin, his closest rival, and a former winner of the award, Foxx is "the greatest all-around ball player in the game today."
Ballots were cast by eight members of the writers' committee, each listing ten players in the order of preference. Points were awarded on the basis of ten for first place, nine for second and so on down to one for tenth.
Foxx was named No. 1 star by four experts, and totaled seventy-four points out of a possible maximum of eighty. He was rated second by three writers and fourth by one. Cronin and Manush each received two first-place mentions, collecting fifty-four and fifty-four points respectively.
Lou Gehrig, of the Yankees, Lefty Grove, of the Athletics, and Charlie Gehringer, of the Tigers, were ranked fourth, fifth and sixth. For the first time since 1927, Babe Ruth did not receive a vote or so much as honorable mention.
Members of the writers' committee consisted of Paul Shannan, Boston; Ed Burns, Chicago; Gordon Cobbledick, Cleveland; Daniel M. Daniel, New York; Bill Brandt, Philadelphia; Charles Ward, Detroit; Richard Farrington, St. Louis; and Bob Conditine, Washington.

Youngsters to Be Taught Swimming At Y.M.C.A. Pool

Owing to popular demands of parents, the Y.M.C.A. is opening a special swimming instruction class for boys between the ages of five and ten years.
The class will commence Tuesday, at 3:30 p.m., in the Y.M.C.A. pool, and will be under supervision of Archie McKinnon, well-known swimming instructor, and physical director. This group will receive instruction once a week on Tuesdays, at 3:30 p.m., throughout the winter and until the end of April.
McKinnon announces that two girls' groups and a class for women are being conducted, and are showing satisfactory results. Although the girls' groups are completely filled, a few further registrations will be received for the women's class by telephoning the Y.M.C.A.

Women's Tourney To Be Staged at Gorge Vale Club

Women members of the Gorge Vale Golf Club will stage a four-some competition during the coming week-end. Play will be eighteen holes, and matches will be arranged for Saturday morning or Sunday afternoon. Entries must be filed immediately with Secretary James Smart, so as the draw can be made.

PORTADOWN DEFEATS CLIFTONVILLE TEAM

BELFAST, Ireland, Oct. 12 (CP).—Portadown defeated Cliftonville, 4-1, on the latter's grounds today, in a second-round Irish goal cup soccer engagement.

Remember When (Twenty-Five Years Ago)

Frank Chance's Chicago Cubs clinched the greatest of all baseball titles by capturing the fifth game of the world's series against the Detroit Tigers, making the final count four fixtures to one. Detroit has no chance to win today's game, for the Cubs hit Donovan, freely and fielded in perfect style, while Overall held the Tigers to three hits, one of them of the scratch variety.
Sharing the lead in distance were Reggie Fielding, Toronto, and Roy McDonald, Ottawa; Gachon, Montreal, and Ottevalle, Belgium. Fielding and his partner had scored 250 points against 182 for Gachon-Ottevalle.

THE STANDING

Team	Wins	Losses	Points
Peden-Audy	1.596	2	433
Fielding-McDonald	1.596	2	250
Gachon-Ottevalle	1.596	2	182
rot	1.596	1	385
Saetta-Zach	1.596	1	169
Jadon-Barrell	1.596	1	164
Leclouneur-Lepage	1.596	1	335
Baggio-Wissel	1.596	7	275
Elder-Van Slambrouck	1.595	7	97
Simon-Petre	1.595	1	296
Zahmel-Hurley	1.594	5	144
Laporte-Beckman	1.594	3	253

Farrell Takes Lead in Open

Former U.S. Champion Has Lead of Three Strokes Over Paul Runyan
WAYLAND, Mass., Oct. 12 (AP).—Playing the course for the first time in six years, Johnny Farrell today clipped a stroke each way on the 7,000-yard presidential course to card a 70 and take a three-stroke lead in the opening round of the first Eastern open championship in the history of golf.
Farrell was three strokes ahead of Paul Runyan.
Jimmy Hines, of Timber Point, N.Y., Mike Brady, of Winged Foot, and Jack Curley, of Quincy, were tied for third with 74's.
Denny Shute, British open titlist, was far below his usual form, carding a 79, one more than Craig Wood, his rival in the play-off for the English title.
After tomorrow's single round the field will be cut to the low sixty and ties for Saturday's thirty-six hole final.

Many Exhibition Hoop Games Lined Up by Blue Ribbon Squad

BLUE Ribbons, holders of the Canadian basketball championship, have an extensive list of exhibition games lined up for the season, both here and away, according to information received from President J. A. Barnwell. Ribbons will journey to Vancouver on October 18 for a match against Varsity, while on October 21 the tea and coffee merchants will be hosts to the student aggregation at the Victoria High School gym. A rare treat will be in store for cage fans in January, when the crack University of Washington Coast Conference team will play here. Arrangements for the appearance of the Husky squad have been completed. Ribbons have played two games in the local league, winning each by handsome margins.

Roland Tegtmeier Will Try to Conquer Strait Starting From Here

Powerful Tacoma Boy Will Start Swim at 11 o'clock Sunday Morning From Point at Shoal Bay or Gonzales Point—Will Arrive in City Today or Tomorrow—Plans Complete

THE first attempt to swim the hazardous eighteen-mile stretch between Victoria and Port Angeles will be made from here Sunday morning by Roland Tegtmeier, powerful Tacoma marathon swimmer, according to information received here yesterday. Tegtmeier plans to enter the water about 11 o'clock, somewhere around Shoal Bay or Gonzales Point. There is a possibility that Tegtmeier may have competition, as Paul Chateau, of Paris, will accompany him here and may decide to take the water with the Tacoma boy.
Plans for the attempt have been completed. A tugboat will accompany Tegtmeier on his grueling test and many of the Tacoma's boys admirers will be on board the craft when the swim gets underway. If Chateau does not decide to enter the water, he will go on board the tug and will play violin selections while Tegtmeier is in the water. The French swimmer is an accomplished artist on the fiddle and according to word will give the spectators a concert before the event starts.
Tegtmeier is confident that he will be able to conquer the perilous tides and icy waters which will greet him when he enters the water. He expects it will take him between ten and twelve hours. The Tacoma boy is a strong swimmer and has competed in the fifteen-mile Toronto Exhibition swim several times, and also was an entrant in the recent swim at Chicago. He arrived on the Coast a few days ago and states he is in excellent shape. He is expected to reach Victoria either this morning or Saturday. Harold Palmer, of the Chamber of Commerce, has complete charge of the arrangements which are being facilitated through the joint co-operation of the Junior Chamber of Commerce and the Publicity Bureau.

EARL PORTER SHOWING FINE RIDING FORM

Illinois Lad's Work in Saddle Sensational—May Ride Against Winooka
By ORLO ROBERTSON
Associated Press Sports Writer
NEW YORK, Oct. 12 (AP).—With a display of horsemanship seldom seen on the American turf, sixteen-year-old Earl Porter, of Geneva, Ill., today boasts two consecutive riding triumphs, and is the Eastern horseman's latest addition to the ranks of another "Earl Sande, Mack Garner or Laverne Fator."
Capping a string of brilliant performances that began early in September at Rockingham Park, Salem, N.H., Porter rode three winners at Jamaica Tuesday and then, after falling in the first two events yesterday, came home on top in three of the remaining four. The six victories boosted his total for nine days to eleven, and his total for the year to eighty-three out of 97 mounts.
Many jockeys have been labeled as another Sande or Fator in the past, but few have justified expectations, once they lost their apprentice allowances. But the men who know their riders insist Porter is "no flash in the pan."
Porter began riding in Cuba last winter, but it was not until he shifted to Tropical Park at Miami, Fla., that he attracted attention. There he scored aboard Blacmont at "telephone figures." Since then he has been steadily riding at the top.
One of his major achievements at the new Hampshire track was guiding S. H. Fairbanks' Gold Step to victory over a field of six furlongs.
Under contract to Fairbanks, the Illinois lad will get the call if his step succeeds in matching Gold Step against Winooka, Australian sprint champion. Just to show his confidence in the horse and Porter, the Boston sportsman is willing to wager \$5,000 on Gold Step.

Remember When (Twenty-Five Years Ago)

Word was received yesterday that Kid McCoy, who was one of the greatest fighters of all time, is going to get back in the ring again. McCoy has been training quietly for over six weeks at a gymnasium in New York, and as he is satisfied that he is just as fast and also as clever as he was when he fought before, he tipped off Johnny White to match him with some of the best fellows at his weight in W. C.

Washington to Have Lengthy Race Season

SEATTLE, Oct. 12 (AP).—Parliament horse racing will be held in Seattle, Vancouver, Yakima and Spokane, and possibly Walla Walla, during the opening round of the State Racing Commission, and announced today. Vancouver will be granted a twenty-one day meeting in June. Yakima will receive a week in September, Spokane three weeks during the summer. Walla Walla may be granted a week in October.
WINS BY DEFEAT
Metropolitans won the points in the intermediate division of the Sunday School Basketball League Wednesday evening from First Baptists by default.
9:30—G. Saunders (4) vs. A. Gos (4); Miss R. Jones.
9:35—W. Elliott (4) vs. G. Bridges (4); Mrs. J. H. Benson.
9:40—N. Le Poidevin (3) vs. G. Tregellas (4); Miss J. Lennon.
9:45—A. Tregellas (11) vs. J. Hornsby (9); Mrs. A. D. King.
9:50—E. Goodwin (14) vs. E. Barnes (18); Mrs. R. B. Wilson.
9:55—H. Brothers (24) vs. B. Barnes (22); Mrs. Hepburn.

OLD COUNTRY RUGBY

LONDON, Oct. 12 (CP).—Rugby games played in the Old Country today, resulted as follows:
Rugby Union
Newport 10, Barbarians 16.
Northampton 27, Guy's Hoop 13.
County Match
Leicestershire 10, Durham 15, at Leicester.

BIRDS BECOME LAWFUL GAME NEXT SUNDAY

Ducks, Willow Grouse, Pheasants and Quail Seasons Will Attract Hunters

Ducks, willow grouse, pheasants and quail become lawful game bright and early Sunday morning. Hunters from all parts of the island will leave in parties Saturday night, and await for the break of dawn the following morning seeking the birds. It is reported that ducks are plentiful around Cowichan Bay, Chemainus, two of the most popular hunting spots on Vancouver Island. At the Hay, Wigwag Island and Mariner's Island are two favorite places for hunters, while around Chemainus the flats attract most of the hunters.
Ducks, except eider ducks, Wilson snipe, coots and geese are lawful from October 15 to January 31, and the daily bag limit is set at twenty, with a season's total of 150. The limit on geese is ten, with fifty the season's mark. Quail, except Bob White and mountain, are in season from October 15 until November 15. On Denman and Saturna Islands the open season is from Sunday next to October 31, and the daily limit is ten with fifty allowed for the season.
The willow grouse season is short, commencing October 15 and lasting until October 31, with the bag limit set at six of all species daily and twenty-five for the season. Pheasants, cock birds only, are in from October 15 to November 15, with the daily limit set at four and season's at fifteen. Hunters are reminded that no Sunday shooting is allowed in Saanich municipality.

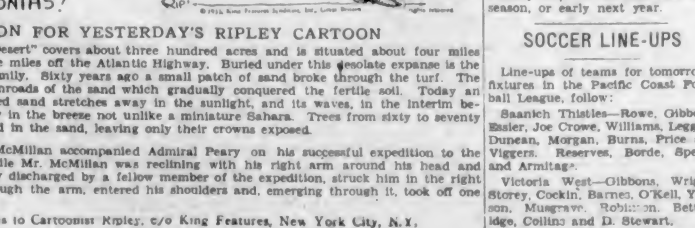

SWIM CLASSES START MONDAY

The office of the Crystal Garden has presented a busy sight, during the past week, preparing for the Daily Colonist "Learn to Swim Campaign," which opens Monday next. Miss E. K. Ekham, of the office staff, has been working hard and great credit is due for the efficient manner in which the seven hundred children, who are registered for the six-week free course, have been recorded and indexed in such a way as to make possible a weekly report on each individual.
Monday, at 8 p.m., will see the first class enter the water, fifty boys forming the initial class to receive instruction from Fred and Mary Ellison in the primary art of swimming. At 4:30 the next class, one of fifty girls, will be lined up, and so it will continue all week and for six weeks to the two extra classes on Tuesdays and Thursdays in order that the 300 extra pupils enrolled may take part in the campaign.

DR. FELIX E. ETCHEGOYEN

—of Gualeguaychú, Argentina
COMPLETED A 6 YEAR LEGAL COURSE, A 2 YEAR DIPLOMATIC COURSE AND COMPLETE CONSULAR SERVICE COURSE IN ONLY 24 MONTHS!

EXPLANATION FOR YESTERDAY'S RIPLEY CARTOON
The Desert of Maine—This "Desert" covers about three hundred acres and is situated about four miles beyond Freeport, Maine, and three miles off the Atlantic Highway. Buried under this desolate expanse is the once fertile farm of the Tuttle family. Sixty years ago a small patch of sand broke through the turf. The owner tried in vain to check the inroads of the sand which gradually conquered the fertile soil. Today an undulating surface of multi-colored sand stretches away in the sunlight, and its waves, in the interim between sandstorms, ripple restlessly in the breeze not unlike a miniature Sahara. Trees from sixty to seventy feet high have been almost buried in the sand, leaving only their crowns exposed.
A Fresh Shot—Commander McMillan accompanied Admiral Peary on his successful expedition to the North Pole in 1909. One day while Mr. McMillan was reclining with his right arm around his head and left shoulder, a bullet accidentally discharged by a fellow member of the expedition, struck him in the right forearm. The bullet passed through the arm, entered his shoulder and, emerging through it, took off one of his fingertips.
Please address all queries to Cartoonist Ripley, c/o King Features, New York City, N.Y.

LEADING SOCCER TEAMS TO MEET TOMORROW

Tottenham Hotspurs To Meet Portsmouth In Feature Fixture

Spurs Have Single Point Lead Over Saturday Opponents—Many New Faces on Line-Ups—Motherwell to Take on Hearts

LONDON, Oct. 12 (CP).—Many strange faces will be seen in the line-ups in Saturday's soccer engagements in the English Football League. More transfers, the fact that a number of stars have been drafted for the England-Ireland international match at Belfast, and injuries account for a number of changes.

The feature match in the First Division will decide the leadership of the league, Tottenham Hotspurs going to Portsmouth. They have a single point margin over the naval men.

Three of the Spurs backs, Pelton, Channell and Whitley, are still on the injured list. Portsmouth will use Salmond, the Scottish player, in place of Allen, who is performing in the international match.

Arsenal entertains Newcastle United and will be minus J. Lambert, forward, who went to Fulham this week. The Gunners will also be without the services of Bastin and Hagood, the internationals, who are performing at Belfast.

Stoke City, promoted from the Second Division, think they have found a wonder player in eighteen-year-old Frank Soo, diminutive Chinese. Picked up from a local amateur side, Soo is tough, a quick thinker and full of tricks and he may get into the game against Aston Villa on Saturday. Hothough he was playing fullback when Stoke

got him, Soo will be used on the forward line.

Liverpool travel to Sunderland, while Chelsea are at home to Middlesbrough. Bolton, leading the Second Division, travel to Preston North End.

SCOTTISH LEAGUE
GLASGOW, Scotland, Oct. 12 (CP).—Motherwell clashes with Hearts, on the former's ground, in the feature match of Scottish Football League fixtures Saturday. The latter expect to get an easy victory over the lowly Third Lanark eleven on the latter's ground.

Aberdeen, tied with Hearts and Kilmarnock, for third place, take on St. Mirren, while Kilmarnock travel to Dundee.

The triple deadlock for leadership of the Second Division may be broken up for two of the leaders, King's Park and Dunfermline Athletic have fairly easy assignments respectively against Dundee United and Raith Rovers. Meanwhile Morton, the other member of the leading trio, relegated from the First Division and battling to get back, mix up with Perth. Bernard's on the latter's grounds.

MAX SCHEMLING CHANGES PLANS

German Heavyweight Will Not Return to Ring Until After Christmas

NEW YORK, Oct. 12 (AP).—Max Schmeling, former heavyweight champion, today called from Germany to his manager, Joe Jacobs, he had changed his plans and would not return to the ring until after the Christmas holidays.

Schmeling now plans to come to New York in January to fulfill an engagement for the promotion of his three championship fights, against either Tommy Loughran or King Levinaky. The bout originally was scheduled for December.

Jacobs plans to sail Saturday for Europe. He will meet Schmeling in Paris and together they will go to Rome to see Primo Carnera defend his title October 22 against Paulino Uscudun.

Medieval Knight Wins Stakes at Newmarket Track

NEWMARKET, Eng., Oct. 12 (CP).—J. A. Dewar's Medieval Knight won the Middle Stakes, one of England's greatest races for two-year-olds, over the six-furlong course, this afternoon, by a length over the Aga Khan's Mrs. Ruston, with Sir Alfred Butts' Flying Colt third by a short head.

It was the sixteenth running of the stakes, which annually brings out the horses that contend the following season for the great classics, including the Derby.

Much of its importance today was lost by the non-appearance of Lord Glansey's colt Colombo, described as the finest two-year-old on the English turf in many seasons.

Colombo, certain Derby favorite for 1934, is a son of Manna, Derby winner in 1928, out of Lady Nairne.

Kerr won two.

Blue Ribbons Will Face Slingers at West Road Opener

Four basketball fixtures will open the cage season in the new Brentwood Athletic Association Hall at West Road tomorrow evening, starting at 7 o'clock. Blue Ribbons, Canadian senior champions, will oppose Slingers in the feature fixture, while Dad's Cookies and Standard Steam Laundry, two strong women's teams from the city league, will appear in the second game.

A dance will follow and a large crowd is expected on hand.

CANADIAN RUGGERS TO HOLD WORK-OUT AT ROYAL TONIGHT

A workout of the Canadian Rugby team will be held this evening at Royal Athletic Park at 6 o'clock. All members are asked to attend.

BEAVERS TO FACE WINERY AGGREGATION

Senior Quintettes to Meet Tonight at High Gym—Laundry Tackles Maroons

Beavers and Slingers, two squads who have gone under before the line playing of the championship Blue Ribbons quintette, will be battling for undisputed second place in the City Basketball League this evening at the Victoria High School gymnasium in the feature game on the programme. In the opener, Maroons, last year in the Saanich Suburban League, will be making their initial appearance in the city league and will be facing Standard Steam Laundry in the women's senior "B" division, while Tillicums and Normal School will do battle in the second fixture in the men's senior "B" section. Tommy Macedo will handle the whistle and the opening attraction will commence at 7:30 o'clock.

WELL MATCHED

Apparently off color in their first games, Beavers and Slingers are expected to go through a hard exhibition and show the fans what reversal of form means to any club. On paper the quintettes are pretty well matched and fast plays should be the keynote of the tussle. Both will have their regulars on deck.

After making a fine showing in the suburban league last season, Maroons will try conquering stronger fields in the city league. In the Laundry squad they will be facing a well-trained team and will have to be at their best to come through. The second game between Tillicums and Normal is expected to be fast all the way with the clubmen favored.

CALIENTE WILL START DEC. 24

SAN DIEGO, Calif., Oct. 12 (AP).—Stake fixtures which have been run at past race meetings of the Agua Caliente Jockey Club all will be renewed for the fifth annual Winter meeting which opens December 24. Joseph E. Schenck, president of the border race track, announced the schedule this afternoon.

The Agua Caliente Handicap will be renewed as a \$25,000 added stake, the same value it held for the race a year ago. It was a \$100,000 race a few years ago. In addition, the Futurity Derby and other fixtures will be maintained. The Winter meeting will close with the running of the Agua Caliente on March 18, after a run of about seventy-four days, a week less than a year ago. Conditions for all stakes remain essentially the same. The Futurity will be held after the Derby this year rather than before, as in the past. Nomination fees for the Agua Caliente also have been reduced.

ARMORE WOMEN WIN FROM DUNCAN TEAM

The followings are the results of the match between the women of the Ardmore Golf Club and the Duncan Golf Club. Ardmore playing on their home course won 20 points to 4.

Mrs. Harper 0, Miss Diana Passer 3.
Mrs. Morten 0, Mrs. Sisson 3.
Miss Jean Duncan 0, Mrs. McElraith 3.
Miss Bond 1, Mrs. H. Davis 2.
Mrs. Share 1, Mrs. Gamble 2.
Mrs. Watson 1, Mrs. Sadler 2.
Miss Powell 0, Miss Macdowall 3.
Miss Peterson 1, Mrs. H. Horth 2.

Loughran Floors Sharkey

DOWN, but up again without taking a count, Jack Sharkey, ex-champion, is shown in a humiliating moment of his fight with Tommy Loughran, whom he once defeated, in Philadelphia. Loughran was awarded the decision after the brawl had gone the full distance of fifteen rounds.

CHINESE CAGERS WIN TWO GAMES

Students Capture Junior and Intermediate Fixtures in Sunday School League

Chinese Students captured two fixtures in the Victoria and District Sunday School Basketball League at the Centennial gymnasium. The junior squad won from the Y.M.C.A. by a 37 to 8 score, while the intermediate "B" quintette took the measure of Kingham & Gillespie team, 38-21.

The pasting game in the opener, and from the opening whistle the outcome was never in doubt. George Lowe and Frank Nipp were the scoring stars for the winners, with nine and ten points, respectively, while Bob Anderson stood out for the losers with six, two baskets and a pair of foul shots.

CHAM HIGH SCORER
With H. Chan scoring thirteen points in the first half, the intermediate winners went into a 30-10 lead over Kingham & Gillespie, and clung onto it during the final period. The students outscored their opponents in the last half, nineteen points to eleven.

Teams follow—Chinese Students—Kee Mar, Harvey Lowe, Peter Lowe (5), Charles Nipp (2), George Lowe (9), Harry Lowe (1), William Lowe, Frank Nipp (10), Henry Wong (4), James Lowe (5).
Y.M.C.A.—Berry, Murray, Clark, Oakley, Van Druten, Anderson (6), Kirk, Calder, Smith (2), Mackin and Mutton.

Chinese Students—Walter Lee (12), P. Nipp, Allan Chan, Peter Lee (1), C. Lam, A. Quon (2), H. Fong (2), H. Chan (10).
Kingham & Gillespie—Anderson (8), McConnell (3), Allen, Edge (2), Phillips (2), Berry (1), Turner (5).

Second Division Teams Will Open Season Tomorrow

Teams in the second division of the Pacific Coast Football League will swing into action tomorrow afternoon with two fixtures carded. Esquimalt will face Saanich Thistles at the new Buelen Memorial Park with Dave Swan handling the whistle, while Victoria West will clash with Victoria City at Heywood Avenue grounds with Ralph Alock in charge. Both games will start at 3 o'clock and two good exhibitions are expected.

DR. A. POYNTZ CHOSEN HEAD OF BADMINTON

Popular Sportsman Named President of Shuttle Loop—Reports Tendered

The destinies of the Lower Vancouver Island Badminton League will be under the direction of Dr. Arthur Poyntz, well-known local sportsman, for the ensuing twelve months, as a result of the annual meeting held last night at the Y.M.C.A., when election of officers and plans for the opening of the season took place. Dr. Poyntz succeeded Hugo Rayment as president of the association, and his election was the unanimous choice of the meeting. The new presidency is well known in badminton, tennis, softball and football circles.

H. B. Witter was elected as vice-president, while W. Holman was named secretary-treasurer, and the following placed on the executive committee: C. E. Whitney-Grimshaw, W. L. McIlraith, W. Dillabough and N. R. Staples, representing the Cowichan-Newcastle district. Charles F. Todd was made honorary president in place of the late Major W. C. Angus, who acted last season, while the following were chosen honorary vice-presidents: Major Dobbe, Major J. C. MacDonald, Major-General Ashton and Colonel Sheridan-Rice.

NAME CHANGED
The name of the association was changed from the Lower Island Badminton League to the Lower Vancouver Island Badminton League, and is now open to teams from Victoria to Nanaimo. Although the latter city has not yet entered a team in the league, officials are confident that, in the near future, the Coast City will be in the loop along with several other Up-Island centres.

The retiring president, Hugo Rayment, briefly summarized the year's activities in his annual report, which was adopted as satisfactory. He stated that twenty-six teams, three more than the previous season, opened the schedule, and ten more than the first year the league was in operation. Rayment congratulated the various winners of last year, and also thanked the executive for the fine co-operation he received from them during the year.

In the absence from the city of Secretary-Treasurer Terry Peers, Robert Simpson, the auditor, presented the financial statement. It showed all accounts up to date, and a balance at the end of the season. A vote of thanks was tendered to the auditor for the report presented.

DICK IRVIN OFF TO COACH LEAFS

REGINA, Oct. 12 (CP).—Dick Irvin, coach of the Toronto Maple Leafs, runners-up last Spring for the Stanley Cup and holders of the cup the previous season, has left for Toronto to do the "masterminding" for the Leafs again.

SOCCER LINE-UPS

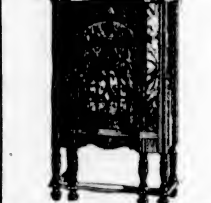

Victoria City first division—Farquhar, Moody, McMillan, D. Robertson, Magee Smith, A. Murray, Holmes, Popin, McElroy, J. Vickers, Stewart and Woodley. Players to meet at Veterans of France at 3 o'clock.

Victoria City second division—Coates, Helmsing, Vasherees, Esler, Anderson, Drysdale, A. Robertson, McEllan, de Bascquiere, Hess, Carr, Bell, H. Johnson and T. Johnson. Players to meet at Veterans of France at 1:30 o'clock.

Esquimalt—De Costa, Joe Watt, March, R. Stewart, Sweeney, Barnwell, Motilshaw, A. Stewart, John Watt, Wagland and Hall. Reserves, Hicks, McLean and Mail.

Ten Deaths In U.S. Football So Far This Season

NEW YORK, Oct. 12 (AP).—Lack of supervision, ignorance of the rules and poor medical attention today were blamed by the presidents of the National Inter-Collegiate Athletic Association and the football coaches for deaths from the game, which already total ten for the season.

Major John L. Griffiths, athletic commissioner of the Western Conference and president of the N.C.A.A., said an investigation by his organization had shown three factors to be responsible for the majority of the deaths and that a campaign to "eliminate these faults" was being conducted.

Not one of the fatalities this year was sustained in a regular game.

Total Favored For Feature at Newmarket Track

NEWMARKET, England, Oct. 12 (CP).—Totaf was established favorite for the Cambridgehire, second half of the famous Autumn "double" with the Cesarewitch, in today's betting odds.

For the big handicap, to be run over the mile and an eighth course here October 25, when the Irish Free State Hospitals Sweepstake will also be decided, the following odds were posted:

Totaf, 100-9; Coloneaster, 100-8; Lameligh, 13-1; Andrea, 15-1; Ole King Cole, 100-4; Ericks, 28-1; Staky, Young Native, Millicat and Disarmament, 33-1; others higher.

Lameligh, owned by His Majesty, has won two important handicaps this season.

What Kind of Topcoat Will YOU Choose?

YOU'LL probably say, "A good-looking coat that will keep right on looking smart for a long, long time." That sort of coat entails QUALITY, in cloth and in tailoring. We have QUALITY Coats . . . new ones, just arrived . . . in a really BIG variety. And this year we can sell them from as low as \$20.

7. To hum.

That Body of Yours

By James W. Barton, M.D.

A NEW METHOD OF TREATING ANGINA PECTORIS

"Suddenly, after exercise, or a hearty meal, the patient feels a most intensive burning or tearing pain in the heart or beneath the breast bone with the feeling that his heart is being squeezed as in a vise. The pain extends into the back, upwards into the shoulders, and down the left arm, often even to the fingertips. It may be felt in both arms, in the neck and head. There is usually fear of immediate death."

I am giving the usual description of what is known as angina pectoris or breast pang, as it is often called. The commonest condition underlying these cases is a partial closing of the blood vessels that bring blood to the heart muscle itself (not the big vessels which bring the blood from all over the body into the heart cavity). Other conditions causing it are the degeneration or weakening of the heart muscle and some forms of heart disease.

The treatment used during an attack is nitrite of amyl, a little glass vessel of this drug being crushed in a handkerchief and applied to the nose. The fumes from this dilate or open the vessels feeding the heart muscle and the attack passes away.

Nitroglycerin 1-100 of a grain may be injected, or a tablet 1-50 grain may be taken by mouth, if amyl nitrite is not available.

However, it is treatment between attacks that is important, as the attacks may be lessened in number or in severity, or in both, by various means.

Rest of mind and body, most important after meals, is as important in the treatment.

Various drugs, such as potassium iodide, arsenic, phosphorus, barium chloride are often used.

Dr. M. Bandmann, Berlin, treated fifty patients suffering with angina pectoris with injections of a ten per cent solution of magnesium chloride into the veins. These patients had little or no relief from other drugs. Twenty-nine of these patients showed a considerable improvement in their symptoms, and a decrease in the number of attacks.

BONERS

are actual humorous tid-bits found in examination papers, essays, etc., by teachers.

In addition to the improvement in the angina symptoms, the symptoms of high blood pressure, headaches, dizziness and sleeplessness—also showed improvement in most cases.

A grinning red-cap at a railroad terminal, submitting to two cuts in salary, recently took a third.

"It's all right," he agreed, "just so they don't begin charging me admission."

Barbarians are things put into bicycles to make them run smoothly.

Father has a grand telescope. It is so powerful that when you look at people way off it brings them so close you can hear their voices.

If you all come in the room at once it won't be big enough to hold you.

If the sun shone in the middle of the night what would that be? The moon.

He was buried with full military honors, and the boom of the guns over his open grave was the last shot he would ever hear.

SHOULD GUARD HEALTH OF MIND

Rev. E. F. Church Addressed Victoria Rotary Club Members on Subject of Psychiatry

Speaking before the members of the Rotary Club, yesterday, Rev. E. F. Church made the forecast that shortly there would be a radical increase in the number of healers of the ailments that were mental, just as there were those who practiced healing of the body today. The traveling charlatans who undertook to teach all there was to learn about the science of psychiatry in a few lessons would not be tolerated.

Cures for mental troubles which were not now dreamed of would be discovered and there would not be the tendency to regard as disgraceful such ailments. Persons suffering from mental ailments would readily go to mental hospitals where highly-trained specialists would treat the patients, said the speaker.

THREE GREAT SCIENCES

There were three great sciences, Mr. Church declared, that would have a prominent place in studies carried on in the near future. One of these was that affecting mental science or psychiatry; another was psychology, and the third sociology and political economy.

Mental health had in the past been left largely to nature to take care of. This, however, was a scientific age and science was affecting every walk of life. The machine age had followed as a result of the study of science.

Most of the mental diseases were today being cured, he was thankful to say, and this would be still further advanced. Doctors said that today half the cases that came under them were functional, beginning with a mental condition. The minds like the bodies had a perfect right to go wrong. Only very stupid persons had no deviation from the regular line.

WOULD IMPROVE LIGHTING SYSTEM

Ladysmith Council Will Not Lower Licence Fees for Banks—Rebate for Convent

LADYSMITH, Oct. 12.—A delegation from the Ladysmith-Wellington Band waited upon the council, at the regular meeting this evening, to seek an arrangement for altering the lighting system of the band hall.

After a warm debate it was decided to take the matter under advisement in committee for quick decision and action.

The recent by-law which revised the schedule of licences or those doing business in the city, provoked protests from each of the branch banks in business here, who urged the council to reconsider its decision to raise the semi-annual licence from \$30 to \$35, pointing out that the banks could only afford to continue operations here with overhead cut to a minimum. The communications were received and read and the council will stand pat on the new schedule.

NANAIMO RESOLUTION

The Nanaimo City Council forwarded a resolution which will be submitted to the Union of Municipalities at the next convention, asking for legislation amending the Municipal Act to permit the collection of taxes in two semi-annual payments. The resolution points out that collection of half of the annual taxes early in each year would facilitate the arrangement of a civic budget, and would relieve the municipalities to a great extent of the need for heavy borrowing from banks and the consequent interest charges.

While unanimously in favor of the proposal, the council decided to lay the matter over to enable the aldermen to consider the matter fully before next meeting.

The city sewer system is being steadily improved, but the work is suffering a temporary delay, pending negotiations with the Ladysmith Water Company over water main connection with the flushing tanks. The local convention request for special consideration for a possible tax rebate was again considered. In the light of information received from other cities in the province, it was decided to grant the convent a substantial rebate.

Horticulturists Meet at Sidney

SIDNEY, Oct. 12.—The monthly meeting of the North and South Island Horticultural Society, held in Wesley Hall, was given over to features suitable for children.

E. W. White was the speaker for the evening. Mr. Thurston showed educational moving pictures of "Bee Keeping," "Lumbering," "Bulb Growing," and "Salmon Canning." L. E. Taylor, past president, presented W. L. Salmon with the Saanich Pioneer Society Challenge Cup for the best garden in North and South Saanich.

Prizes were presented to a number of children, who had taken part in the Junior garden contest, by W. L. Salmon.

HEAVILY SENTENCED FOR HAVING OPIUM

NANAIMO, Oct. 12.—Fong Yick Yung, Oriental, who attempted to commit suicide in Nanaimo jail a week ago, was fined \$200 and sentenced to six months in jail, and in default of fine, two months additional by Magistrate Beavor yesterday in police court. The Chinese, when arrested, had eighteen decks of opium in his possession.

Chong Hay Ham, arrested today by Constables Corrigan and Sands with sixteen decks of opium in his possession, was remanded for one week.

Little Rex trotted softly up to his mother's side and raised an appealing face.

"Mum," he said, "can Jean and I play at keeping a shop?"

Mother, who had a bad headache, nodded.

"Yes," she said, "but you must be very, very quiet."

"Oh, yes, mum!" replied Rex eagerly. "We'll pretend we don't advertise."

DIAMOND JUBILEE DAVID SPENCER LIMITED

SIXTY YEARS OF GROWTH AND SERVICE

Jubilee "Hosiery" Day—Today, October 13

Women's Hosiery Complete Assortments of Sizes Fashionable Shades—and Jubilee Prices
